Standard(s) indicated on this Certificate.

Standard(s) for Safety: ANSI/UL 60320-1 - Appliance Couplers for Household and
Similar General Purposes - Part 1: General Requirements.
CAN/CSA-C22.2 No. 60320-1 (2011) - Appliance Couplers
for Household and Similar General Purposes - Part 1:
General Requirements.

Additional Information: See the UL Online Certifications Directory at
www.ul.com/database for additional information

Only those products bearing the UL Certification Mark should be considered as being covered by UL's
Certification and Follow-Up Service.

Recognized components are incomplete in certain constructional features or restricted in performance
capabilities and are intended for use as components of complete equipment submitted for investigation rather
than for direct separate installation in the field. The final acceptance of the component is dependent upon its
installation and use in complete equipment submitted to UL LLC.

Look for the UL Certification Mark on the product.

Bruce Mahrenholz, Director North American Certification Program

UL LLC
