Czech Republic

According to the principle of presumption of conformity, this certificate, which includes production control, constitutes support for an EU Declaration of Conformity according to the Low Voltage Directive 2014/35/EU. This presumption can expire before end of validity of this certificate due to new issued Standard or Amendment and changes within the EU legislation.

The instruction for use shall be written in a language acceptable according to the national regulation in the country where the product is to be used.

This certificate replaces previously issued ref. No. SE-ENEC-2200610 dated 18 May, 2022. A new certificate has been issued on account of renewal and update of standard.

Certification Body: Intertek Semko AB, Product Certification Place: Kista - Stockholm
